

SUMMER PASSPORT INSTRUCTIONS

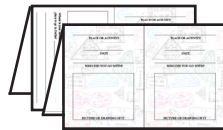

1. Print pages 2-3 (to make room for more activities, you can print as many of the third page as you want).

2. Fold each page in half vertically.

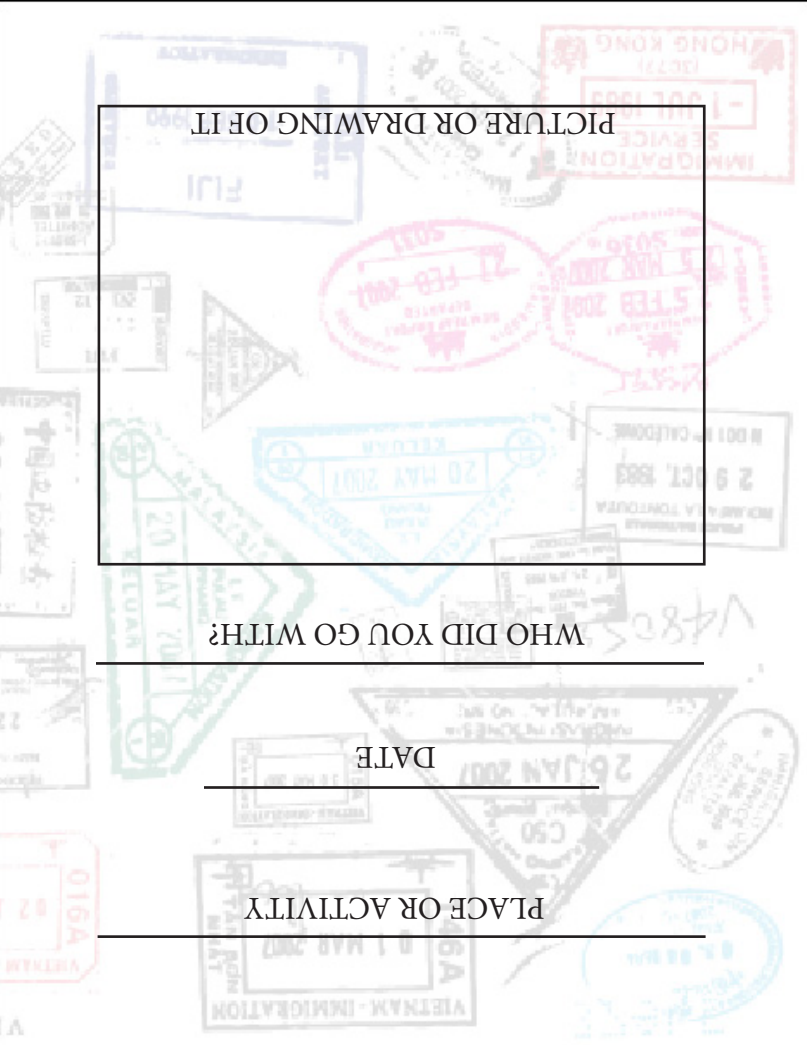

3. Lay the folded page 2 blue side down, and the folded page 3 on top with all the text on both pages facing the same way.

4. Staple in the middle on the black line and fold in half to make a booklet.

5. Start filling out your passport!
